

Adopt-A-Family 2007

Dear Sponsor,

Thank you very much for the generous Christmas gifts you gave to our family this holiday season. We all really appreciate it very much. Elena absolutely loved the Dora doll and the Cabbage Patch baby. She treats them like her own children, feeding & changing them. :) Abigail was flabbergasted when she opened the cd player and cd. As for myself... the crock pot has made my life much easier, putting the dinner in there, going to work and coming home to a hot meal. And the \$100 gift card to King Soopers,... well that speaks for itself. I almost cried when I called to check the balance. The camera is exactly what I wanted.

Thanks again for your giving nature. You really made our Christmas complete! People like you make this world a better place.
